

# MITA Pulse™

MITA Self-Assessment Toolkit  
From a trusted companion on your  
MITA compliance journey

## MITA ROADMAP

### VERSATILE AND POWERFUL

With 80 MITA 3.0 business processes modeled and incorporated into the toolkit, This product is designed to meet the needs of a diverse multi-agency Medicaid-modernization project spanning multiple years.

- Modeled on MITA 3.0 Compliance Specification.
- Allows business process owners to identify their own compliance level, establish their goals and timetables for compliance
- Provides a current picture of compliance at the agency and state level for all MITA business processes throughout the timeline.
- Cloud based application accessible by all. Available by subscription or on-premise solution.
